All I wanted in my eyes  
My frustration, your delight  
Once beneath my skin consuming from within  
And once I've seen...you gonna die  
Eventually cursed  
My tears quench you thirst

All I am is all I need  
Can you see what's left of me?  
I don't know and I don't care  
I ain't going anywhere

All I am is all I need  
Can you see what's left of me?  
I don't know and I don't care  
I ain't going anywhere

I don't care and I don't mind  
Pound my head against the ground  
Once I've seen your face  
I'm caught up in the maze  
I'm snared in your fatal embrace

Eventually cursed  
My tears quench you thirst

All I am is all I need  
Can you see what's left of me?  
I don't know and I don't care  
I ain't going anywhere

All I am is all I need  
Can you see what's left of me?  
I don't know and I don't care  
I ain't going any...

All I am is all I need  
Can you see what's left of me?  
I don't know and I don't care  
I ain't going anywhere

All I am is all I need  
Can you see what's left of me?  
I don't know and I don't care  
I ain't going anywhere
