(Des Quango and the Cabasas)
Some time later
Samson met a dame
She lived in the Vale of Sorek
Delilah was her name
The Philistines approached her
And they explained at length
How they would pay good dosh to learn
The source of Samson's strength
And his mama used to say,
"Stay away from a woman like that
(Stay away from a woman like that)
Stay away from a woman like that
Stay away from a woman, a woman like that (Stay away
from a woman like that)
Ooh, stay away from a woman like that
(Stay aw
ay from a woman like that)
Stay away from a woman like that
Stay away from a woman, a woman like that"
To a woman of such beauty
The strategy was plain
To entice the secret from him
His trust she'd have to gain
Like many who had loved her
This man was easy prey
And she knew it wouldn't be too long
Before she'd have her way
And his mama used to say,
"Stay away from a woman like that
(Stay away from a woman like that)
Stay away from a woman like that
Stay away from a woman, a woman like that (Stay away
from a woman like that)
Ooh, stay away from a woman like that
(Stay away from a woman like that)
Stay away from a woman like that
Stay away from a woman, a woman like that"
Why don't you listen to your mama, Samson ?
"Stay away from a woman like that
(Stay away from a woman like that)
Stay away from a woman like that

Stay away from a woman, a woman like that (Stay away
from a woman like that)
Ooh, stay away from a woman like that
(Stay away from a woman like that)
Stay away from a woman like that
Stay away from a woman, a woman like that"
