[Intro: Dom Pachino] Yeah, yeah, uh-huh, Napalm It's the offering, trust me I built this shit, from the ground up It's my baby... it's my seed, yo, check it out, yo [Dom Pachino] I done grown up, shown up on B.E.T. Made it possible for folks to see me, G. me not See me, greet me, see me hot If I, put out an album and the CD flop I'mma, do it again, until they treat it like pop I put work in, so you see I treat it like stock Pull out a squirt and these bitches scheemin' on cock Fuck the young shit, you will never see me off lock But I, see your money and you see my product If I splurge, and you see it, then you see that I got it If a paparazzi flashes then that means that I'm spotted If you seen a power move, then be turning off rotten Rapped at everybody, killers, most soften than cotton As far as this new thing shit, you can say that I got it You can say that I lived it, you can say that I rocked it I've done did it to the point, ain't a damn one can stop it I can take it off the head, or build on the topic I can spit it like acid in a form like it's toxic Napalm'll make 'em jump and, form like a mosh pit I'm the talk of the year, I'm the latest gossip [Chorus 4X: Dom Pachino] Scuffed up guns, toss the filthy heat then run It's the arsenal, fill my clip with rusty dum-dums [Thirstin Howl III] I'm from the Mecca New York where hip hop's religion 2Pac got shot, Big Poppa sizzling Ghetto centers, many male benchpresses Ten crack commandments, broken in the message I'm a full clip, full throttle, fullano Fugazi murato, fame, fortune, fools lotto Fact is of the matter, that my gun ain't spoke yet Hustle this trigger nigga, language broken On the train tracks with rats, walking with gats out I turned real pale, token booth black house Metro card, EZ Pass, my dick's favorite words, she be back Grammar grind gritty, glossy, flossy Alcohol toilet shortage, kidney's frosted Spectacular, back it up Albino nickels ain't black enough [Chorus 4X]
