[Fingazz]

Oooh

Oooh, oooh-oooh-oooh

Smoke it up baby (Smoke it, baby)

Smoke it with me

[Verse 1: Dominator]

Tobacco leaves, orale, why don't you pass me the
twenty so I can busy

And roll on

Roll on

Gotta gets my stroll on

Stroll on

Do you wanna get a natural buzz, the kind that 'bout to
make you feel love, love

Feeling low-key, digging down the bud, what

Dominator got so many ways to get a blaze than any
other, better than The Boat Love, chump

Me feeling outrageously high, took a rip of the bong,
before long

Paranoid, me mind may play tricks on a motherfucker
But don't trip too much

Backing up everything when I say, "I better cleanse my
mind"

My homie Double Deezy Diesel does it all the time

And even

My other homie Krazy Boy

Blazing a pipa like a kid with the toy that'll morta

[Chorus 2X: Fingazz]

Through good times

And bad times

We keep it iry all the time (All the time, baby)

Through good times

And bad times

We keep it iry on my mind (On my mind, on my mind)

[Verse 2: Krazy Boy]

Gotta keep my mind locked tight, gotta roll on

Roll on, smoke on with my motherfuckin'

Homie Double D, and you better believe, we smoke

weed, all the time on the motherfuckin' scene
Gotta have it in the morning, gotta have it in the night
Gotta have it every day, gotta have it every way
Smoking weed, how I stay, hit the motherfucker pipe
Cause the jane, how I pray, feeling alright, okay
Time to get that chronic up and get another sack
Bounce back to the pad, then we roll it up
Fat, oh yeah, I know you like that
Bomb shit, that be green, smoking up
Light grafe', gasoline to the side, how we ride
Do it true with playa ties
Do it true with playa ties
Do it true with playa ties

[Chorus]

[Verse 3]

[Dominator]

Let's get
High, me and you
Blazed out in the couch, watching the town roll by
Everybody been wanting a puff out of my canibus
But I'm a stingy motherfucker, been fiendin' from my
grafene
(???) acceptable
Joined down to the roach, collectable
At the end of the year
I'm a have about a thousand three hundred fucking
mountain of roaches

[Krazy Boy]

Hocus pocus
When I tote this
Everybody better be knowing, I leave 'em hopeless
Focus my motherfucking mind, fuck paranoid
I wanna get high
So high, fuck time, fuck lye
Blow dye, all night, stay fly
And lie
That's why
True ties all the time, stay high

[Dominator]

We high, no lie
Match boats
I got the next light
Tonight
Everybody be wondering where the bomb went
Dominator and Krazy, we had the jacket
Pack it, we
[Krazy Boy]

True, players, smoking weed, everyday, all day, all
night, I blaze
Get fucked up out of my mind, gettin' fucked up
wasting time, you say, but I stay
High

[Chorus]
