(Snoop Dogg)

I think it's bout' time for me hit these,
niggas upsite in here,
The head wit some west coast gansta shit
Ohhâ€¦. Weeâ€¦.
(OhhWee)

(Sticky Fingaz)

Hennesied up, play the cut lighting it up
Rag on my head, eyes lookin half way dead
Brought my thugs to the club, straight off the street
I'm iceburg to my feet about a third of the week
Relax baby don't spazz 'cause he touched your ass
I ain't say shit when your friend touched my dick
I see Brooklyn schemin, we all in the spot
But that's hip hop, we rap niggaz from off the block
Is it me or is it gettin hot in here
I think somebody bout to get shot in here
The nine mill guarenteed to clear the spot in here
And we ain't get searched kid, we got glocks in here
Someone bring me to the hoe suckin cocks in here
I think they trying to shut it down, I seen cops in here
I'm the hottest shit Universal got this year
And all my niggaz rockin rocks in here, come on
Get it up, huh
The ice on ya wrist player pick it up, huh
My killers in the cut coast stick em up, huh
Ladies grab your shirts and lift em up, huh

(Chorus)

Say Snoop upsite yo' head, say Snoop upsite yo' head
(Say what)
Say Snoop upsite yo' head, say Snoop upsite yo' head
(Ride On)
Say Snoop upsite yo' head, say Snoop upsite yo' head
(Say what)
Say Snoop upsite yo' head, say Snoop upsite yo' head
(Ride On)

(Jay-Z)

I flex the rol', sign a check for yo' hoe

Jigga's style is love, X and O
Save all your accolades, just the dough
My game is wide, all lames aside
Tryin to stay alive, hundred thou' for the bracelet
Foolish, ain't I? The chain'll strain ya eye
Twin platinum gun son, aim for the sky
Ice on my bullet, you die soon as I pull it
Willies wanna rub shoulders, your money's too young
See me when it gets older, ya bank account grow up
Mine's is one-zero-zero-zero-zero-oh-doub'
Damn near out the rear trunk when I roll up
Multi til I close up, it's all basic
I been spending hundreds since they had small faces
Rob your stash house, doubled out down in Vegas
Me and Jermaine Dupri got it locked crazy
Where you at haters?

(Chorus)

(Snoop Dogg)

Snoop D O double G, L B C, baby boy we rock the party
Snoop D O double G, L B C, baby girl we rock the party
Snoop D O double G, L B C, baby boy we rock the party
Snoop D O double G, L B C, baby girl we rock the party

(Sticky Fingaz)

I'm so hot to death
I'll probably get shot to death
Fuck who the cops arrest
My killers is rough, shoot up the club like Puff
Niggaz'll duck, chains tucked, Timbs get scuffed
I pull a four-four from out of the seat
Up out it and beat
Picture me not riding with heat
Jump out of the Jeep
Clear a nigga out of the street
Nobody can creep
Thirty deep nigga, I'm out of your reach
Ain't nothing but killers boasting next to me
I'm prejudice, I hate every color except for green
In the club, that's were my niggaz jwelry shop
When the hammer cock, we don't care who we box
So why you come to the club, what you livin it up
Why you fuckin with that chicken, was she givin it up
Why you even cop jewels, what you can't get stuck
Why you never say when, you ain't had enough
Get it up, huh
The ice on ya wrist player pick it up, huh
My killers in the cut coast stick em up, huh
Ladies grab your shirts and lift em up, huh
