Let this be known this is our cleansing
This is time for unity, this is time to break the distance
set between you and me
This is ours for the taking, and we've taken a turn for
the worst
Everything we take for granted, all these seeds of hate
we've planted
It's time for the soil to be cleansed
We must change our ways if we want to amend and I
want nothing more then for these bounds to be finally
set free
And for us to take the first stride towards a positive
way of life
And this brotherhood has been misunderstood for
something other than integrity
And I refuse to sit back and lose my friends to this loss
of dignity

There is no I in team
Break these chains that bind us all
Rise above the apathy within us all.
