[Verse 3: Tommy G]

You know I'm fuckin' down like no other
Straight balla lover
Leave a freak up in a room
And throw her draws in the gutta
Some girls don't like it but I don't give a ghetto damn
Have your pussy fuckin' broke
And I know this you understand
Shiny things I know you like to do it all
Give me a call
Meet you at the spot and then I'm fucking you raw
Lean back unto the scene
Once again once again
When we getting' naked
Dykin' with they two closest of friends
Knock 'em off the block
And breakin' them off
It's nuthin' new
Baby what you wanna do
I wanna do it too
Freakin' and climbin'
Fuck in the dinin'
All I know in life
Is the shit we combinin'

Makin' major moves while we doin' our thang
While fuckin' in this game a player has to maintain

[Chorus 2 repeat 1x: SPM]
