Little girl don't you understand

I wanna be your lovin' man

All by myself, all by myself

I don't need no-one to love you

Gonna love you all by myself

Well meet me in a hurry behind the barn

Don't be afraid I'll do you no harm

All by myself, all by myself

I don't need no-one to love you

Gonna love you all by myself

Well I got a girl who's six feet tall

Sleeps in the kitchen with her feet in the hall

All by myself, all by myself

I don't need no-one to love her

Gonna love her all by myself

Well I got a girl who lives on the hill

She won't love you but her sister will

All by herself, all by herself

I don't need no-one to love you

Gonna love you all by herself
