I like the way you walk

I like the way you talk

Let me hold your hand

Try to understand

I want a girl like you

Tell my love is true

Don't be afraid

You've heard what I said

Let the four winds blow

Let it blow and a-blow

>From the east to the west

I love you the best

Let the four winds blow

Let it blow and a-blow

>From the east to the west

I love you the best

I like the way you walk

I like the way you talk

Let me hold your hand

Try to understand

I want a girl like you

Tell my love is true

Don't be afraid

You've heard what I said

Let the four winds blow

Let it blow and a-blow

>From the east to the west

I love you the best

Let the four winds blow

Let it blow and a-blow

>From the east to the west

I love you the best
