Three nights a week, your'e gone

three nights a week, that's too long

You know you're doin me wrong

baby won't you please stay home.

I call you on the phone

pretendin you were home

Although I knew you were gone,

baby won't you please stay home.

when you're gone I'm such a lonely man

when you're gone, my heart doesn't beat the same

Three nights a week, you're gone,

three nights a week, that's too long

three nights a week, I'm alone

Baby won't you please stay home
