[Sticky Fingaz - Talking]

I think one right here...

Is long over due

All ya'll

All ya'll

To all my sisters all across the world

[Sticky Fingaz]

I applaud you

I know nothing can't erase the pain we caused you

I'm sorry sister for all the times we used you

Hurt you, beat you up, bad and abused you

Raped you, took your womanhood, violated you

Betrayed you, you women, we supposed to praise you

Instead we called you hoes and bitches and dissed ya

I was thinking "Damn, what if that was my mother or my sister?"

You never feel it, till it hits home

We abandoned you, left you all alone

With our babies in your hour of need

Left you all by yourself to raise our seed

And all the times we made you go wild in court

And had to fight us just to get child support

Its only a handful of us that handle our responsibility

I'm from a broken home; you know this shit is killing me

How a man can make a woman a mother and a father

If men got it hard, then women got it harder

And I represent every man on earth when I say this:

Sister I'm sorry and I pray for your forgiveness

Sister I'm sorry

[Chorus- Choclatt]

For all the wrong I've done

Sister I'm sorry

Sister I'm sorry

I'm telling everyone

Sister I'm sorry

Nothing can change the past

Your forgiveness is all I ask

I broke a promise, cheated on you, lied to you  
[Sticky Fingaz]  
I ain't recognize the goddess thats inside of you  
I know sorry ain't do it but my acts of faith  
But I don't understand is how we could hit our girl  
Made me over-stare, hope it's not to late  
And how we can bring a bastard kid in this world  
I don't want my child being ashamed of me  
Swear to life I don't know how ya'll made it all these  
years  
Like "Mommy, where's daddy?" Wonder what became  
of me  
Can't even look you in your eyes without mine filling  
with tears  
You my sister, I respect and love you  
And he came from she  
You woman, men came from you  
Sister I'm sorry, swear to god, please forgive me  
All men ain't the man that they claim to be

[Chorus]

Sister, I'm so sorry  
[Choclatt]  
Please forgive me

[Chorus] x2  
I'm so sorry for hurting you  
I'm so sorry  
For mistreating you  
For not loving you  
I'm so sorry
