My Darling

Don Bestor and His Orchestra (vocal by Neil Buckley)

LYRIC BY EDWARD HEYMAN

MUSIC BY RICHARD MYERS

Peaked at # 9 in 1933

From the Musical Production "Earl Carroll's Vanities of 1932"

Now we are together, together at last

Dreaming of the present, the future, the past

My heart is yours forever, always to keep the key

Say you'll leave me never, just linger with me

My darling, say you're mine tonight

My darling, you're divine tonight

Your kiss is all I'm dreaming of

Sweetheart, Sweetheart, this is love---

My darling, hold me closer still,

My darling, make this night a thrill

You'll hear a story old but new

My darling, I love you
