You feel my style

You feel my lines
They out to spit rhymes
It's a mattah of time
You know this whole battle is mine
You don't need a sign
To know am here to shine
The nigga be kissin' on his bitch
While his rims be spinnin' sick
Click-click
There goes da git
Scared nigga all ova da place
Tryna run
So I give him a blow
To make him learn
I gotta give the ho doe
She carryin' ma son

She been pimpin wit me
Since I was four
So shut the door
And let the action begin
She be all ova da floor
Looking like an attraction.

All da ladies like it

Some scream JEHOVA
But am sayin its ova

Everything gon' change
Every one of y'all rappers
Gon' look lame
That ass got me
Neva wantin' to be desperate
She told me 2 do it fast
Cos I was runnin' late
But fate don't leave me
I get booty everyday
And I don't give a cent
But some of y'all
Got all ur money spent

How u gon' pay the rent
That must b pain
But put the next beat so
I can rhyme again.
