[Don Cisco]  
(Verse 1)  
You wanna know why I  
Ride or die for this west coast turf  
From Sacra  
San Diego, homeboys put in work  
California soldiers  
We was born to ball  
It's like L.A.  
And the Bay  
Is the heart of it all  
Pump the blood of an Aztec  
Mean mug, not a plastic  
What's up homie  
Fire up, let's get blasted  
Flash on the pass, homie, you ain't know  
California  
Used to be  
Mexico  
Now check the Spanish surnames or the cities to claim  
Los Angeles and San Fransisco  
All the same  
It's the  
Golden State of California  
Baby, baby  
Fore you hate on us  
We gotta warn ya  
Mexican's Cali's biggest  
Minority  
In the millenium, eventually  
Will the majority  
Take a look around you, the world is a barrio  
And everybody's lowridin' like they on a way to a  
Car show

Break 1:

[Don Cisco] California  
[Crew] Is just like Mexico

[Crew] Is just like Mexico  
[Don Cisco] In Houston, Texas, boy  
[Crew] Is just like Mexico

(Verse 2)

I took a trip to the city of bright lights, Las Vegas  
I'm sittin' at the crap table  
Full of players  
High rollers  
Latin ballers and money makers  
Super models with full (???) , that's how I break it  
The title taker  
From the streets to the skyscraper  
From 'Frisco to Phoenix, AZ  
We chase paper  
Every city I go  
I see some homies dippin' low-low's  
T-shirts, khakis  
Bald-headed locos  
I went to Utah  
Salt Lake City  
Did a show for Cinco De Mayo and see so many heinas  
Lookin' pretty  
I heard they got Chicanos  
In Chicago  
Doin' they thug thang, go 'head, hermano  
Everybody ballin' clavo  
From Houston, Texas  
To Denver, Colorado  
We lowridin' in a Lexus on a way to a  
Car show  
The Southwest  
Is just like Mexico

Break 2:

[Don Cisco] Utah  
[Crew] Is just like Mexico  
[Don Cisco] In Nevada, boy  
[Crew] Is just like Mexico

[Don Cisco] In Colorado

[Don Cisco]  
Yeah, I ain't been around the world  
But now, everywhere I look  
I see homies  
So what's up

(Verse 3)  
Now we up in Dallas  
With some stallions  
Hanging on me at the bar like medallions  
Every barrio I go out  
Fits right in  
Cause everywhere that I look, I see, Mexicans  
Cara mia  
Down for raza like Pancho Villa  
Mi casa's tu casa, drink shots of tequila  
Puerto Ricans got New York  
And the Cubans got Florida  
But it's just like Mexico  
When you live in California
