I've learned to  
Live to die  
Cause that's the only way  
To survive  
And I've learned  
That you must find  
Something in your life  
Worth keeping you alive

Give me one more time  
I know I can make it  
Give me one more try  
This time I'll make it count  
Give me one more chance  
I won't let You down  
Give me one more try  
I know I can win this time

I've seen all the  
Pain that life brings  
I've looked into the eyes  
Of suffering  
And I've walked away  
Trying to escape now  
But all my mistakes  
Whisper in the background

So give me one more time  
I know I can make it  
Give me one more try  
This time I'll make it count  
Give me one more chance  
I won't let you down  
Give me one more try  
I know I can win this time

I know I messed up  
And I know I failed  
Give me one last shot  
To redeem myself
