I don't want for this to keep going,  
The signs of struggle I'm showing,  
These fake disguises I wear,  
The hope I once had is not there,

Can you help me?

I'll run away so far,  
These fights are just too hard,  
I'll run away so far,  
Can You save me from myself,

I want to try and start new,  
I'm sorry for the times I hurt You,  
And I know you died to save me  
And I know you already forgave me

Can you help me?

I'll run away so far,  
These fights are just too hard,  
I'll run away so far,  
Can You save me from myself
