Woo!

Julie catch a rabbit by his tail
Come back stepping like to walk on air
Get back home where you belong
And don't you run off no more

Don't hang your head, let the two time roll
Grass shack nailed to a pine wood floor
Ask the time, baby, I don't know
Come back later, going to let it show

I say, "Row, Jimmy, row
Going to get there, I don't know
Seems a common way to go
Get down and row, row, row, row, row"

Here's a half a dollar if you dare
Double twist when you land on it
Look at Julie down below
The levee doing the do-pas-o

I say, "Row, Jimmy, row
Going to get there, I don't know
Seems a common way to go
Get down and row, row, row, row, row"

Broken heart don't feel so bad
You ain't got much of what you thought you had
Rock you, baby, to and fro
Not too fast and not too slow

And I say, "Row, Jimmy, row
Going to get there, I don't know
Seems a common way to go
To get down and row, row, row, row, row"

That's the way it's been in town
Ever since they brought the jukebox down
Broken hearts don't buy no more
Not the way that it's done before

I say, "Row, Jimmy, row
Going to get there, I don't know
Seems a common way to go
To get down and row, row, row, row, row"

And I say, "Row, Jimmy, row
Going to get there, I don't know
Seems a common way to go
Get down and row, row, row, row, row
To get down and row, row, row, row, row"
