[Intro Chorus]1

Do you want my body!  
cause, I can give you body  
and if you really want me too  
If you want my lovin,  
Cause I can give you lovin  
from this day through Eternity!

[Verse 1-1]

From the very first time, i,  
Saw your precious brown eyes, eyes,  
I knew from that very moment  
you are the only one for me , Allright!  
Do you remember when you  
touched me, hold me, whisper in my ears, "I do"  
from this day babygirl,  
nothing has been changed,  
cause you're still my baby Boo!

[Verse 1-2]

And all this time,  
you're still in love with me, ah"  
and all this time  
you still so wanting me

And i want you ooh, so bad!  
cause, i'm still in love like that,  
So lets get down  
and have this crazy conversation, "Yeah"!

[Chorus]2

Do you want my body!,

[Verse 2-1]

Shorty, you're my butterfly  
you're my spark of Heaven's light!  
On the beach i rock your body,  
strech your legs  
and baby oiled your buns and ties!  
Yes, you are my Beauty Queen  
for you i'll do the cooks and cleans  
baby you're my Future-bride  
For you my chick, i ride or die!

[Verse 2-2]

And all this time,  
you're still in love with me,  
and all this time  
you still so wanting me,

In bed, I'll hold you close,  
Tenderly, shall kiss your toes,  
And till the end of time  
i'll be your security for sure! (show)

[Chorus]3

Do you want my body!, (2x)

[Bridge fade-out]

Do you really want my, body, body, body  
you can have my, body, body, body  
come and get my, body, body, body  
My body, (Body 3x)
