[Verse 1-1]

Well alright, When I think of you
i have nothing on my mind
but i try to find the reason why
So baby, why not open to me
is the best to make us feel so right
Ooh, can't you see

[Verse 1-2]

When i'm with you
you know what's going on
cause i need you baby, ooh
My heart leads me to a place where i wanna be
So you know where!

[Chorus]1

Needfull Love!
Needfull Love!

[Verse 2-1]

Ooh girl, I just can't let go
cause all these pain won't heal in my heart
so sugar, i wanna hold you close
cause it's so nice to have you
near by my side

[Vere2-2]

When i'm with you
you know what's going on
cause i need your body, Ooh, hmm
i wanna hold you in my arms so tenderly
because i'm ready, so ready baby!

[Chorus]2

Needfull Love!
Needfull Love!

[Bridge]

Cause when you with me baby
you turn me on and on
and when you with me lady
your love so strong and strong, Ooh, yeah
i can't wait for this moment

to know what real need love is all about
and every breath that i take
i will pray for you God, for you God , baby yeah!

[Chorus]3 (fade-out)
Needfull Love!
Needfull Love!
