Chorus)

Anything you want

Anything at all

Anything you need

Any time you call

Anywhere you are

Anywhere you go

Any time at all

Baby let me go

I hear the voices whisper

And I hear your lonesome cry

And I see the tears a fallin'

And I know the reason why

(Chorus)

Anything you want

Anything at all

Anything you need

Any time you call

Any time you cry

Any time you fall

I will pick you up

Any time at all

Well I hear your voice within me

And I hear your tender call

And I know that life without you

Don't mean anything at all

(Chorus)

Anything you want

Anything at all

Anything you need

Any time you call

Anything you dream

Everything you know

Anywhere you lead

Baby I will go

When trouble comes to call on you

And you can't take anymore

Any time you need a friend

Just knock upon my door

(Chorus) (repeat and fade out)

Anything you want

Anything at all

Anything you need

Any time you call

Anything you dream

Everything you know

Anywhere you lead

Baby I will go
