Love is a hunger  
That burns in my soul  
But you never notice the pain  
Love is an anchor  
That won't let me go  
I reach out to hold you  
But you push me away  
You always convince to stay  
And I wonder why  
We hold on with tears in your eyes  
And I wonder why  
We have to break down to just make things right  
And I wonder why  
I can't seem to tell you goodbye  
Yeah, I wonder why  
I'm no angel  
With my selfish pride  
But I love you more everyday  
Love is an anger  
That builds up inside  
As the tears of frustration

Roll down my face

Why does love always have to turn out this way

I don't want to fight again tonight

About the little things please baby

I just want to find my way

Back to love

And I'll need you there, baby
