How am I suppose to know
What's going on inside you head
Do you want me to go,
Or do you wish that I was dead?

Do you believe in destiny
That we were suppose to find each other?
Do you think that this was meant to be
or do you still search... for your lover?

Oooh...
Oooh...

Who am I to you
What do you see in me
are you telling me the truth
that you and me are we
Who am I to you
Do you believe in me
Like I hope you do
Cause I just wanna be... Loved by you

Don't you understand how
I get confused by the things you say
If you decide to leave me now
How could I ever be okey

Cause I just have to know
I can't go on like this no more
We've been through a lot
all though, it's you that I adore

Oooh...
Oooh...

Who am I to you
What do you see in me
are you telling me the truth
that you and me are we
Who am I to you
Do you believe in me

Like I hope you do
Cause I just wanna be... Loved by you

(Who am I...
to you...
You and me are we...)
Who am I to you
What do you see in me
are you telling me the truth
that you and me are we
Who am I to you
Do you believe in me
Like I hope you do
Cause I just wanna be... Loved by you
