### "With Me One Love"

Visit "[With Me One Love](#)" on [MotoLyrics.com](http://MotoLyrics.com)

this one is specially livicated fi all woman (echoes)  
this one is specially livicated fi all da gial (echoes)

trrrrrrr... bwoy bwoy bwoy bwoy.... (echoes)  
this one is special (echoes)

some of them girl a mek a tricks (tricky) style number  
one  
some of them gals a mek a tricks (tricky) style number  
two  
some of them gals a mek a tricks (tricky) style number  
three  
some of them girl a mek a tricks (tricky) style number  
one  
some of them gals a mek a tricks (tricky) style number  
two  
some of them gals a mek a tricks (tricky) style number  
three  
i lova you gal and love your punnany !!!

i give you one love give me with me one love  
give you one love girl you give me one love  
i give you one love give me with me one love  
give you one love girl you give me one love  
i give you one love give me with me one love  
i give you one love girl you give me one love  
i give you one love give me with me one love  
give you one love gal you give me one love

there is not much just enough  
that would do them a just a few girl  
there is not much just enough  
that would do them a just a few  
so why did you come  
so why did you ask  
there is nothing inside  
i could give it back  
so why did you come  
so why did you ask  
there is nothing inside  
i could give it back

like a glass of alcohol is my only only love  
like a my favorite joint, marihuana of them is so strong  
like a glass of alcohol is my only only love  
like a my favorite joint, marihuana of them is so strong

i give you one love give me with me one love  
give you one love girl you give me one love  
i give you one love give me with me one love  
give you one love girl you give me one love  
i give you one love give me with me one love  
i give you one love girl you give me one love  
i give you one love give me with me one love  
give you one love gal you give me one love

i have to break it have to make it  
i have to break it have to make it (stress)  
i have to break it have to make it  
i have to break it have to make it (stress)  
i have to break it have to make it  
i have to break it have to make it (stress)  
i have to break it have to make it  
i have to break it have to make it (stress)

your fragrance sweet baby is a very very strong  
your fragrance sweet baby is a very very strong  
your fragrance sweet baby is a very very strong  
your fragrance sweet baby is a very strong  
i dont wanna be alone dem never let me go  
and open your eyes my princess and look what's going  
on (trrrrrr)

i dont wanna be alone dem never let me go  
and open your eyes my princess and look what's going  
on  
i dont wanna be alone dem never let me go  
and open your eyes my princess and look what's going  
on  
i dont wanna be alone dem never let me go  
and open your eyes my princess and look what's going  
on  
i dont wanna be alone dem never let me go  
and open your eyes my princess and look what's going  
on  
i dont wanna be alone dem never let me go  
and open your eyes my princess and look what's going  
on

like a glass of alcohol is my only only love  
like a my favorite joint, marihuana of them is so strong  
like a glass of alcohol is my only only love  
like a my favorite joint, marihuana of them is so strong

(Voice of DubDadda)

i give you one love give me with me one love (echoes)

i give you one love you give me one love (echoes)

i give you one love give me with me one love (echoes)

i give you one love give me with me one love (echoes)

love love love love love mi a gial

love mi a gial ina dancehall style

love love love love love mi a gial

love mi a gial ina this ya time

love love love love mi a gial

love mi a gial ina this ya time

love love love love love mi a gial

love mi a gial ina this time

i give you one love give me with me one love

give you one love girl you give me one love

i give you one love give me with me one love

give you one love girl you give me one love

i give you one love give me with me one love

i give you one love girl you give me one love

i give you one love give me with me one love

give you one love gal you give me one love
