Irena's got a wiener
Irena's got a wiener
Irena's got a wiener in her pants
As i first time saw her on our fucking school yard
Everybody knew except of me
And so i went to bed with her and never felt disgusted
More but that day more but that night
Irena's got a wiener
Irena's got a wiener
Irena's got a wiener in her pants
Irena's got a wiener
Irena's got a wiener
Irena's got a wiener in her pants
And as i next time came to school hell everybody knew
that I was in bed with her So i was a bastard now
and I know I'll never forget
Irena's little wiener
Irena's little wiener
Irena's little wiener in her pants
Irena's little wiener
Irena's little wiener
Irena's little wiener in her pants
