Ignorance and lies you're spreading all around you  
till all truth has died and still you're sitting on your  
throne  
but you know you're all alone  
so you tell me I'm a shame but it's all and all the same  
the same old game and I feel the meaning drift away  
everytime you say  
why...why...why WHY  
Are you trying to take it all away from me  
but I know my soul is free and the Shelter  
that I'm running to lies deep deeper than your  
fucking fists can beat me  
so you tell me I'm a shame but it's all and all the same  
the same old game and I feel the meaning drift away  
everytime you say
