Love of my life, you've hurt me,
you've broken my heart,
and now you leave me.

Love of my life, can't you see?
bring it back, bring it back,
don't take it away from me
because you don't know what it means to me.

Love of my life, don't leave me,
you've taken my half,
you now desert me.

Love of my life, can't you see?
bring it back, bring it back,
don't take it away from me
because you don't know what it means to me.

You will remember when this is blown over
and everything's all by the way
when i grow older,
i will be there at your side to remind you
how i still love you

back, hurry back,
please bring it back home to me,
because you don't know what it means to me.

love of my life,
love of my life..
