I was born to love one woman  
Though it may seem strange  
Born to kiss one woman's lips  
Guess I'll never change  
May be right, may be wrong  
Can't help the way I was...

...born to love one woman  
Her eyes are black as coal  
Born to gaze into them eyes  
To see her very soul  
May be right, may be wrong  
Can't help the way I was born

Born to love one woman  
Her hair is shining gold  
Twice as wild as lightning  
A woman twice as bold  
May be right, may be wrong  
Can't help the way I was...

...born to love one woman  
Funny, but it's true  
Born to be one woman's man  
That one woman is you  
May be right, may be wrong  
Can't help the way I was born

Born to love one woman  
Hold her oh so tight  
I love her in the morning  
Love her in the night  
May be right, may be wrong  
Can't help the way I was...

...born to love one woman  
Till the day I die  
Kiss her when she laughs  
Kiss her when she cries  
May be right, may be wrong  
Can't help the way I was born
