I've been so many places in my life and time
I've sung a lot of songs
I've made some ba-ad rhymes
I've acted out my love on stages
With ten thousand people watchin'
But we're alone now and I'm singin' this song for you

I know your image of me is what I hope to be-ee-ee
I've treated you unkindly but darlin' can't you see
There's no one more important to me
Darlin' can't you please see through me
'Cause we're alone now and I'm singin' this song for
you

You taught me precious secrets
Of the tru-uth withholdin' nothin'
You came out in front and I was hidin'
But now I'm so much better
And if my wor-ords do-on't come together
Listen to the melody,
'Cause my love is in there hiding

I love you in a place where there's no space or ti-i-hi-
hime
I love you for in my life
You are a friend of mine
And when my life is over
Remember when we were together
We were alone and I was singin' this song for you (I
sing for you)
We were alone and I was singin' this song to you (I sing
for you)
We were alone and I was singin' this song for you (I
sing for you)
We were alone and I was singin' this song to you-ou-ou
(I sing for you)
We were alone and I was singin' this song for you (I
sing for you) (fade)
