Ain't no sunshine when she's gone  
It's not warm when she's away  
Ain't no sunshine when she's gone  
And she's always gone too long  
Anytime she goes away

I wonder this time where she's gone  
I wonder if she's gone to stay  
Ain't no sunshine when she's gone  
And this house just ain't no home  
Anytime she goes away

I know, I know, I know, I know (Hey-hey-hey)  
I know, I know, I know, I know, I know (Hey-hey-hey)  
I know, I know, I know, I know, I know  
I know I oughta leave the young thing alone

Ain't no sunshine when she's gone  
Only darkness every day  
Ain't no sunshine when she's gone  
And this house just ain't no home  
Anytime she goes away

I know, I know, I know, I know (Hey-hey-hey)  
I know, I know, I know, I know, I know (Hey-hey-hey)  
I know, I know, I know, I know, I know  
I know I oughta leave the young thing alone

Ain't no sunshine when she's gone  
Only darkness every day  
Ain't no sunshine when she's gone  
And this house just ain't no home  
Anytime she goes away

Anytime she goes away  
Anytime, anytime, anytime she goes away  
Anytime, anytime she goes away  
Anytime, anytime, anytime, anytime ... (fade)
