"Till Tomorrow"

what can this be
can you tell me?
i've been wanting to know
why we're not free to be lovers
and i've been wanting to aks you
where has all the love gone
and what have we become
storm clouds full of thunder
move silent as they drum
and when they're gone
we'll be fine - till tomorrow
no i hope it won't rain
you will be mine
and my sorrow
will take wings in the morning
high above the heavens
a rainbow paints the sky
white doves sing their songs of love
i watch them as they fly
and wonder what can this be
can you tell me
i've been wanting to know
why we're not free to be lovers
