Wonderful baby

Wonderful baby livin' on love the  
sandman says maybe he'll take you above,  
up where the girls fly on ribbons and bows, where  
babies float by, just  
counting their toes.

Wonderful baby nothin' but new, the  
world has gone crazy, I'm glad I'm not you.  
At the beginning or is it the end? It goes  
in and comes out and starts over again.

Wonderful baby livin' on love the  
sandman says maybe he'll take you above,  
up where the girls fly on ribbons and bows, where  
babies float by, just  
counting their toes.

Wonderful baby I'll watch while you grow. If  
I knew the future you'd be first to know. But I don't know  
nothin' of what  
life's about, Just as long as you live, you'll never find  
out.

Wonderful baby, nothin' to fear.  
Love whom you will, but doubt what you hear.  
They'll whisper sweet things to make untrue. So be  
good to yourself, that's all  
you can do. You're a wonderful baby livin' on love the  
sandman says maybe he'll  
take you above, up where the girls fly on ribbons and  
bows, where babies float  
by, just counting their toes, where  
babies float by, just counting their toes...
