Maria,  
I told you to stay here,  
Here...  
(x2)

Maria,  
I told you to stay here,  
Here...  
(x2)

All I want to know is how they broke you,  
All I want to know is how they broke you,  
(x4)

Struggle to keep your life,  
Don't let them take,  
Don't let them take,  
You,  
Struggle to keep your life,  
Don't let them take,  
Don't let them take,  
You,  
Struggle to keep your life,  
Don't let them take,  
Don't let them take,  
You...

I Need It.  
I Need You To Tell Me
