Watching for you,  
Conceived with no eyes.  
Listen for the voice.  
Plant within me, eyes that open.  
Leading where I walk.

I feel I know you well,  
If I were you I'd wait

[Chorus:]  
Until someone moves or cares,  
Stay captive.  
Keep yourself there,  
Wait for love. [x2]

I see everything,  
Every move I make,  
Painted before you.  
Stall your move,  
Heart that lingers.  
I only move for you.

I feel I know you well,  
If I were you I'd wait

[Chorus]

[Interlude]

[Chorus]

Wait for love.

Until someone moves or cares,  
Wait for love. [x4]
