"Like Romeo and Juliet"

There's no solution
We have to recognise that we are lost
Lost in our dream
Lost in our fantasy
Lost in our love.

We're lovers until our death
Like Romeo and Juliet
And the stars will be there for us.
We're lovers until our end
And the cruel times can't stop us.
They can't stop us now.

Every single second I want to hold your hand
And every single moment I want to hear your breath
Don't leave me now. Don't go alone.
Don't let me cry.

We're lovers until our death
Like Romeo and Juliet
And the stars will be there for us.
We're lovers until our end
And the cruel times can't stop us.
They can't stop us now....
