No mercy for us,  
Why it feels so warm,  
And the sun goes down,  
While we close our eyes, in the night.

Kiss made of dreams,  
And a blood red sign,  
A maniac inside,  
Serves you wine.

The world begins to fall,  
And the madness is going round,  
Today we show,  
And burn in the unforgiving fire.

Questions in your head,  
Swim and burst,  
Shackles on your hands,  
Are bound by yourself.

Ghosts of life,  
Crying and laughing,  
Terrifying rocks,  
Block your way out.

The world begins to fall,  
And the madness is going round,  
Today we show,  
And burn in the unforgiving fire. x2

Don't try to run,  
Don't try to hide,  
Don't try to kill,  
And don't try to fight.

Don't try to run,

Don't try to hide,  
Don't try to run,  
Don't try to hide.

The world begins to fall,  
And the madness is going round,  
Today we show,  
And burn in the unforgiving fire.

The world begins to fall,  
Today we show,

The unforgiving fire.

You are homesick,  
When you are at home.
