A stranger
I want you
Out one night to seek a mate
I asked a stranger for a date
And guess what she said
I like her, man, was cool
But I was sexier than any guy
She'd ever met
Maybe if I took a chance
To find a night of sweet romance
Love wouldn't be, wouldn't be
Waiting for my ship to come
And catch this player on the run
I wanted to see her eyes
Her eyes were eyes of a stranger
Stranger's eyes staring at me
Her eyes were filled with danger
She was such a pretty thing
Maybe that's why I was game
Walkin' the line
So we took a rendezvous

To satisfy each other's mood

Time after time

As I looked into her eyes

Wondering if they were disguised

A mystery to me, what could it be?

All I felt was instant lust

Knowing it was dangerous

But I had to see her eyes

Her eyes were eyes of a stranger

Stranger's eyes staring at me

Her eyes were filled with danger

Stranger, danger, I want you

Her eyes were eyes of a stranger

A stranger's eyes staring at me

Her eyes were filled with danger

Her eyes on me

I feel her eyes on me

Her eyes were eyes of a stranger

Stranger's eyes staring at me

Her eyes were filled with danger

Stranger, danger, I want you

Her eyes were eyes of a stranger

A stranger's eyes staring at me

Her eyes were filled with danger

Her eyes on me

I feel her eyes on me

She's a mystery

Baby, can't you see?

She got me hypnotized

Baby, mesmerized

Her eyes were eyes of a stranger

Her eyes were filled with danger

Her eyes were eyes of a stranger

Her eyes were filled with danger

Her eyes were eyes of a stranger
