If you dogrow

Then you must know

When you get so jive

You only half alive

Show me right now

That you know how

You can stand up

Look in a mirror and sigh

Get your feet wet

Run with the jetset

Be a good girl

Go around the world

But the longer it goes on

The harder you hang on

Til you stand up

Look in a mirror and sigh

Tryin' to be cool

You just be the fool

Let it be known

You ain't full growed (Aaaaarrrrgggghhhhh!!!!!! How could he?)

And its all right

Don't put up such a fight

You can stand up

Look in a mirror and sigh
