There's a place  
I can get to  
Where I'm safe  
>From the city blues  
And its green  
And its quiet  
Only trouble was  
I had to buy it  
And I'll do anything I got to do >  
Cut my hair and shine my shoes > chorus  
And keep on singin' the blues >  
If I can stay here in Johnny's garden >  
As the swift bird  
Flies over the grasses  
Dipping now and then  
To take his breakfast  
Thus I come and go  
And I travel  
And I can watch that bird  
And unravel  
chorus --  
With his love  
And his carin'  
He puts his life  
Into beauty sharin'  
And his children  
Are his flowers  
There to give us peace  
In quiet hours  
chorus --
