Soldier, soldier, soldier
Stuck in a hospital ward
Living in a wheelchair
Do you remember the war
It's not over
It'll never be over for you
It's not over
Till they stop playing war with you,
Soldier, Soldier
Do you remember who found you
The helicopter crew
Out of the Au Shan Valley
What could they do
It's not over
It'll never be over for you
It's not over
Till they stop playing war with you,
Soldier, Soldier
Was anybody with you
When you felt your body die

Knowing that you live on

The shell of a man to hide

It's not over

It'll never be over for you

It's not over

Till they stop playing God with you,

Soldier, Soldier

Soldier, Soldier
