Believin' in you is believin' in me
All the same circle game that makes us feel free
So much behnd us so much to do
Some days you eat the bear
Some days the bear eats you
Nothin' to worry 'bout
But the worries
That you make up yourself
Christopher's watching me carefully now
Wonderin' who I am listenin' to the sound
He knows the best and the worst of me now
I don't think I could go on if I let him down
Nothin' to worry 'bout
But the worries
That you make up yourself
So my love do the things you got to do
Never have to be afraid, I'm always with you
Believin' in me and you like Christopher does
Believin' is the magic that makes one from the two of
us

Nothin' to worry 'bout

But the worries

That you make up yourself
