Watch the clock (ticking slowly)  
Beta block (fast beating heart)  
Thoughts freeze (oh so many)  
Rest in peace (falling apart)

No sleep

Electro shock (shock, shock)  
Heart stopps (restless soul)  
Lifesigns cease (in nomine patris)  
Rest in peace (full control)

No sleep

Wrist slashed (pulsating blood)  
Worlds collapse (deep cut)  
Voices mute (pst, pst!)  
Sleep for good (silent at last)

Insomniacs last act ...  
what sort of dream will you attract?

Sleepless and obsessed with purple  
(Why do I feel so)
