featuring The Luniz

Verse 1 *(Shock G)*

Mammy, zammy, damn there's nothin to me
but when they rock us in the streets we say "Ooo-we"
you see the freak in the beat, she do me
I hit that mitty-bitty wit the sticky ooo-we gooy
I got more funk in my left in my left pinky toe
I got more soul in my style
then they will ever know
I got more rhythm than I'll ever need to show
we got them groceries bro
yo Luniz let go.

Verse 2 *(Numskull)*

I got the flow so let the Luni man take over
get deep into my hold
if ya lost, then picture gold
I heard styles that others stole
but it's no original flow
like the Luniz an the man wit the nose.

Verse 3 *(Yukmouth)*

Notice my flows kick like a loaded Mac-11
ghetto heavy, could climb wit mo "Good Times" than
James Devin
glock wars
meanin you criticize Tupac for
homies in the hood, we strap Rugers an "We Got More".

Chorus *(Shock G)*

Didn't ya know
our brothas got more
so check the new flow
cuz here we go-e-o-we-oh.
Look how we throw
a lil sumpthin to roll to

hold you, from the O-we-O-we-O.

Verse 4 *(Shock G)*

I got that Voodoo runnin through my veins
