I:

Your far away now and I don't know
Who will fill the empty place by my side
And I still don't know who, maybe later
Who will fill the night that's coming for me?
You didn't look back,
It doesn't make sense but don't forget
You changed destiny
Right then when you left...

II:

It's not your fault, I hold the blame
Because I didn't know to tell you everything that was hurting me
Don't look back, it's to late and don't forget
You changed destiny
Right then when you left

Refren:

Atunci cand ai plecat
S-a rupt ceva in mine...
Atunci cand ai plecat
Si nu am vrut sa te opresc...
Atunci cand ai plecat
Si timpul pentru mine s-a oprit
Pentru mine...
Atunci cand ai plecat...

III:

Always a little hurried and on the road
Who will fill the empty place next to me
And I still don't know who, maybe you or me
Will cry for the day that's coming...
Don't look back
It doesn't make sense but don't forget
Nobody was to blame
Right then when you left...
