MIND-BENDER

( Guitar Intro )

While browsing through a pawn shop

I saw this old guitar

It's keys were bent and rusty

It's body scratched and scared

HOLY- MOSES

Would you believe that guitar began to talk

I swear it did

Now it's not like your thinkin

I wasn't stoned or drinkin

When I heard that talkin Guitar say

( Talk Box )

My Daddy was a GIBSON

My Mama was a Fender

That's why they call me Mindbender

Mindbender. That's my name

You better believe it

It was a mind-bending thing

( Guitar Lead )

I said now listen Guitar

What you tryin to do

People will think I'm crazy

If they see me talkin to you

HE SAID

( Talk Box )

\*What's that you say\*

I Said You Better Hold Your Tongue

Now it's not like your thinkin

I wasn't stoned or drinkin

I swear I heard that Guitar say

( Talk Box )

My Daddy was a GIBSON

My Mama was a Fender

That's why they call me Mindbender

Mindbender. That's my name--My Name

You better believe it Brother

It was a Mind Bending thing

( Guitar Lead )

And Talk Box
