I'm lying alone with my hand on the phone

Thinking of you till it hurts

I know you're hurt too

But what else can we do?

Tortmenter and turn apart

I wish I could carry

Your smile in my heart

For times when my life seems so low

It would make me believe

What tomorrow could bring

And today doesn't really know,

Doesn't really know...

CHORUS

I'm all out of love

I'm so lost without you

I know you were right

We're leaving for so long

I'm all out of love

What am I without you

It can't be too late

To say that I was so wrong...

I want you to come back and carry me home

Away from these long, lonely nights

I'm reaching for you

Are you feelin' it too

Does a feeling seem oh so right

But what would you say

If I call on you now

To say that I can't hold on

There's no easy way

Think it's harder each day

This love me round bigger

Round bigger...

CHORUS

Oooh - what do you thinking now

What do you thinking now

What do you thinking now

What do you thinking now.....

CHORUS

Out of love baby

Out of love

So wrong baby

Oh so wrong baby

So out of love

I'm all out of love

Out of love baby

Out of love darling

All out of love
