You feel just  
Like a woman should  
And the night  
Will soon be dawn

You make me feel  
Just like a man should  
What we're doing  
Just can't be wrong

It burns me like a fire  
Sweet pain, don't let me go  
Ah, you take me so much higher  
Than I've ever been before

Baby, babe, I want you  
Oh, my babe, ooh  
Take me now, got to have  
Your love right now

[CHORUS]  
Fire, baby, I'm on fire  
Oh, you are the  
Good times that I know  
Higher, baby, take me higher  
And better times I'll never know

The sun will soon be shining  
Won't shine on me alone  
Cause I have you here, my darling  
To call my very own

Lord knows I must be dreaming  
Ah, nothing feels this good  
You've given me a feeling  
Like no other woman could

Baby, babe, I want you  
Oh, my babe, oh  
Take me now, got to have  
Your love right now

[Repeat CHORUS]

Oh, baby, babe  
Oh, baby, babe  
Oh, babe, b-b-b-b-baby  
Baby, baby

[Repeat CHORUS 2x]
