Na Na Na Na Na Na Na Na Na Na  
Na Na Na Na Na Na Na  
I fell in love with a Italian girl  
Well she came from only  
Heaven knows  
But my Lord above I must've  
Needed her  
Together we built a small  
Humble home  
And now I wanna hold her  
Tight everynight  
That's all I wanna do  
Is to satisfy rest of my life  
It's just the kind of thing I thought  
I'd never ever end up and do  
But somehow  
My outlook's changed  
Since I found myself with you  
How I love her - My Italian girl  
How I need her - My Italian girl  
Heaven walks into the room  
Whenever  
She walks on by oh by  
Oh Lord above I tell myself must  
Be an angel in disguise  
So now I wanna  
Gimme Gimme Italian girls
