I can't shake off the feelin'  
There's something you don't want me to know  
You have the pass girl  
You got the rhyme  
I'm always one digit short  
I can't recognize you through the haze  
You're systematically losin' face  
I'm a '78 Stimulator  
You know I'll take it all if you don't  
'78 Stimulator  
I want a chance to live forever  
So give it up ooh ooh oh oh  
Feed me lemons  
Shine your trophies  
He says I believe in everything you score  
The keys he dangles  
Are just copies  
Cut from the game before  
I don't see my name on the list  
There's always one more ass I forgot to kiss.  
I'm a '78 Stimulator  
You know i'll take it all if you don't  
'78 Stimulator  
I want a chance to live forever  
So give it up ooh ooh oh oh  
They give you rhinestones for your naked body  
But I want diamonds and the cover baby!  
I'm a '78 Stimulator  
You know I'll take it all if you don't  
'78 Stimulator  
I want a chance to live forever  
So give it up ooh ooh oh oh
