I bought my attitude and cigarettes at the local mall
Got the majesty of liberty, a hole in the wall
Too much information and I'm feeling the cold
I'm waking up
Feelin' alright is a state of mind
It takes more than just hedonism to feel alive
I lost my way of searching for innocence
The latest thrill
I took a flight out of this country when I took this pill
Someone please stop me cuz I might just kill
There's no meaning to my breathing and my will is on
leave
Negotiating freedom with sex on the brain
I'm waking up
Feelin' alright is a state of mind
It takes more than just hedonism to feel alive
I got a 100,000 lovers and I feel stoned
Gotta find a soulmate so I can be alone
Got 2 tickets to paradise and I am...
Feelin' alright is a state of mind
It takes more than just hedonism to feel alive
