You outta chill out
Youre dancing like a moving target
Slow down
I need your love, keep the stakes high
Tell me you'll die for me yeah
I want your life, so tell me
How far would you go for me?
I'm looking for a ghost
Are you free?
Strutting like your hot stuff
Whos your Queen?
Feel alright, feel alright again
Feel alive, feel alive again
(Do you feel like I do?)
La La La La
Feel alright, feel alright again
Feel alive, feel alive again
(Do you feel like I do?)
